Lack of resources both financial & human couldn't make it happen and unsatisfaction for 'The status of the college in terms of modern education tools' is due to unawareness of parents who do not visit colleges with their wards as majority of parents are either farmers or agricultural labourers who live in villages and busy with their daily course. They do not come even if called or invited. We are working on it very hardly.

Lack of resources both financial & human couldn't make it happen and unsatisfaction for 'The status of the college in terms of modern education tools' is due to unawareness of parents who do not visit colleges with their wards as majority of parents are either farmers or agricultural labourers who live in villages and busy with their daily course. They do not come even if called or invited. We are working on it very hardly.
