**FORTUNE - BLIND SCHOOL**

The students and staff of Govt. College Pithora visited Fortune Blind School with the motif of Community Service. We were astonished to see the performance of the students in singing. A warm welcome song was sung by the students. We saw their discipline at the time of taking their lunch. We saw the 'brail' model of teaching and the materials used by the teachers.

Students were given a small talk by Dr. Shweta Jha related to communication skill and use of article, preposition, auxiliary verb and simple grammar. Students as well as the staff of both the institutions were over-whelmed by this reciprocal exchange of knowledge as we also learnt how teaching takes place in brail.
